CARRER OBJECTIVE

I am a third-year ICT student at the Faculty of Technology, University of Vavuniya, with a strong interest in UI/UX design and engineering. I am passionate about creating user-centered, visually appealing, and intuitive interfaces while leveraging my skills in front-end development, web technologies, and problem-solving. I am eager to gain practical experience in designing and developing innovative solutions that enhance user experiences. With a keen eye for design, attention to detail, and dedication to continuous learning, I aim to contribute my technical knowledge and creativity to a dynamic work environment.
